ABOUT YOUR PROGRAM

This is a *customized* program. If your customer requires an alteration to the standard specifications, please call our Customer Service Department. Special quotes are available upon request. Items manufactured outside of the standard specifications may take additional manufacturing time and cancel warranty. We reserve the right to refuse any special request.

CANCELLATION OF ORDERS

Once production has begun (usually within hours after order is received), the order CANNOT be cancelled. If the order has NOT BEEN STARTED, request a "Cancellation Number" and keep that number on file.

* Cord tilt available with 2" Macro only

① The factory will take standard deductions from your measurements to allow for operating clearance. Refer to product information guide for finished dimensions.
② If no position is specified, blind will be shipped with tilt wand on left and lift cord on right.
③ Hold Down Brackets, Extension Brackets and Spacer Blocks (maximum of 3 per bracket) available for all horizontal blinds.
